FROM TARENTUM

Prospective Student:

It is with a great deal of pleasure that we at Arnold High School look forward to seeing you at the senior high school.

We are contemplating an Open House on Tuesday, August 31, at 7:00 P.M. located on Alcoa Drive. We would like to see you with our building and procedures. Our students will be here to assist you in finding the various rooms to which you are assigned.

Students are urged to bring their parents with them so that we will have an opportunity to answer any questions that they may have and that they also may become acquainted with our building and procedures.

Looking forward to seeing you on this day, I remain,  
with best wishes and regards.

Sincerely yours,

Strange faces to the students of both the Arnold and New Kensington campuses will appear on the club sections of each edition of the 1968 Valakron. The banners of these clubs pictured here with Mr. Tannas symbolize just a few of the many organizations which will eventually be comprised of combined memberships from both schools.

Can I say that is not too

Hopress is a bit part

All these in front of the school

knows what he's doing

A day's work to the girls

Feeling free to do so

He's the only

Well, we can do it on a book

The financial assistance obtained from advertisers and patrons from both Arnold and New Kensington has made it possible for both editions of the Valakron to reach the homes of numerous residents throughout the New Kensington-Arnold School District. Because of their support, the 1968 Valakron will be recorded as the very first yearbook for the school known as Valley High.

## COIFFURES BY RON BARTH

Well what can I say about all these years. When it all came to an end - I can't believe it - but in so many ways it was a wonderful experience. Wig and Wiglet Sales, Wig Styling, Human Hair Wigs, Wiglets, Coloring, Hair Styling. I remember all the fun we had together. There just so much to write it is hard to even start to write it. I spent all of eighth grade together in a that was a ballroom when I was in high school and the windows were so bad and all the school we have had (3350767) will too. Remember all the times we had to go to the school and remember all the times we came to school.

## AR-KEN PLUMBING and HOME SUPPLY

get me 8" per second on Fridays and all the comments in the comments (Jaggy) made about us and the plumbing and hardware. We just had so much fun that I can't believe we're done (little rhyme 337-4311) hope we can have more of the same in future years. Remember you can come to the 1612 Fifth Avenue (Arnold, Pa) any time and we will be a pleasure to you with me and want to see you the rest of the year in the future years.

Love always

# Transition

Transition is a time of change.  
In the school world everything is in constant motion;  
Every change seems an improvement.  
Behind is the accomplished work of yesterdays;  
Ahead are the untried tasks of tomorrows .  
Behind is the encouraging echo of the past;  
Ahead are the challenging calls of the future.
